

H1> Laser Tattoo Removal Bethlehem PA

Body Text> Tattoos don't have to be forever. If you need to remove or fade a tattoo, there are options available. Tattoo removal is a big decision to make, however, so how do you know if you should consider our services? It might be time if you:

- Have tattoo regret
- Are going through a major life change
- Are going into the military

No matter the reason, if you decide to choose laser tattoo removal and are looking for a location in Bethlehem PA, New Wave Laser Tattoo Removal is the place to go.

Unlike a dermatologist's office or medical spa, New Wave's focus is only on one thing: removing or fading your tattoo. We want to make sure the services provided to you go above and beyond, so not only are the prices for our treatments low, but we have the latest laser technology available as well. We want you to leave your appointment or consultation feeling satisfied and confident in coming back again.

H2> Safe Tattoo Removal

Body Text> Jonathan Erik, the owner of New Wave, understands the tattoo removal process intimately. He handles all the procedures for his customers. His extensive knowledge and experience mean he is able to provide detailed consultations and treatments of superior quality and consistency.

H2> Unparalleled Service

Body Text> We are dedicated to our customers. Our low rates, state-of-the-art laser removal equipment, and experience on both sides of the tattoo removal process allow us to provide a level of service unlike anywhere else. It also shows the passion we have for what we do.

There are so many options at your disposal when it comes to the successful removal of your tattoos, but if you're looking for superior service and real results, choose New Wave Laser Tattoo Removal. You'll be in good hands.
